Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Hymns of Prayer and Praise This hymnal is designed for use in closet and family worship in social services of prayer and praise; at sea; in hospital service; military stations; at mission stations and in small churches. Its compact form fits it for such use. It contains the choicest of Christian hymns, whose careful selection is the result of patient labor. In making this selection, the whole field of Christian hymnody, ancient and modern, has been traversed. Hymns of expressive and impressive power, of objective worship and subjective experience, have been brought together in it, so as to form a concise but complete manual of prayer and praise. These hymns have been adjusted to such simple, sweet, and suitable music as is airy within the reach of all. The arrangement of the pages, withal, is such as to give as often as possible, a choice of music. The editors cannot but cherish a sense of devout thankfulness to God for the acceptance with which the book has been received. And with the prayer that it may in yet larger degree be used to the honor of Our Blessed Lord, and to the welfare and comfort of His people, this new edition has, after careful revision, been issued.
