HarperCollins Publishers Inc, United States, 1994. Paperback. Book Condition: New. Harperperennial.. 175 x 152 mm. Language: English . Brand New Book. Twenty-two lifelines to personal growth and fulfillment from the editor in chief of Essence magazine. When Susan L. Taylor rose to editor in chief of Essence magazine more than a decade ago, she began writing an editorial column in which she shares her thoughts and feelings about how developing one's inner awareness ensures the wisdom and clarity needed to create a deeply satisfying and fulfilling life. The monthly column called In the Spirit is one of the most popular in the magazine. Susan L. Taylor connects with the reader in a personal and meaningful way, in a voice that is sisterly, informed, and motivating. She challenges her readers to transcend their fears, to face inevitable challenges in their lives courageously, and to use change as an opportunity to grow. We limit ourselves because change may well mean dealing with the disapproval of the very people we rely on for support. Often words of inspiration and motivation, but she also suggests specific methods for working through problems and improving our emotional and spiritual health. We are not powerless spectators of life. We are co-creators with God, and all around is are the gifts, the clay, that we can use to shape our world, she says. Susan L. Taylor writes passionately about what she has seen and learned in the course of her travels throughout the United States, Caribbean, and Africa. Her essays have helped many to balance the demanding world of work and business with the personal world of family and friendship. She shares bits of her own life--her loves, her trials, and triumphs--and the lessons she s learned. Many of Susan L. Taylor s readers already collect her...
