

## Analizalo! (Analyze it!) (Paperback)

By Torrey Maloof

Teacher Created Materials, Inc, United States, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book. Everyone has questions about the world. Scientific practices, such as asking questions, analyzing, and doing experiments, help scientists answer those questions. This dynamic science book will help second-grade students learn all about the scientific method and how it helps scientists analyze the world around them. With a hands-on Let s Do Science lab activity that is aligned to the Next Generation Science Standards, this is a perfect tool to develop students scientific practices and support STEM Education. Including a glossary and index, the helpful text features in this easy-to-read informational text support the development of content-area literacy while vibrant images keep readers engaged from cover to cover.
