WHEN ROBOTS KILL (PAPERBACK)

University Press of New England, United States, 2013. Paperback. Condition: New. New.. Language: English. Brand New Book. The growing use of artificial intelligence (AI) software and robots in the commercial, industrial, military, medical, and personal spheres has triggered a broad conversation about human relationships with these entities. There is a deep and common concern in modern society about AI technology and the ability of existing social and legal arrangements to cope with it. What are the legal ramifications if..
