Basically no terms to clarify. It can be written in basic terms instead of difficult to understand. I am easily could get a enjoyment of reading through a composed publication.

SCORN OF WOMEN: A PLAY IN THREE ACTS

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Scene. Alaska Commercial Company s store at Dawson. It is eleven o clock of a cold winter morning. In front, on the left, a very large wood-burning stove. Beside the stove is a woodbox filled with firewood. Farther back, on left, a door with sign on it, Private. On right, door, a street entrance; alongside are wisp-brooms for brushing snow from moccasins. In the background a long counter running full length of room with just space at either end for ingress or egress. Large gold-scales rest upon counter. Behind counter equally long rows of shelves, broken in two places by ordinary small-paned house-windows. Windows are source of a dim, gray light. Doors, window-frames, and sashes are of rough, unstained pine boards. Shelves practically empty, with here and there upon them an article of hardware (such as pots, pans, and tea-kettles), or of dry-goods (such as pasteboard boxes and bolts of cloth). The walls of the store are of logs stuffed between with brown moss. On counter, furs, moccasins, mittens, and blankets, piled up or spread out for inspection. In front of counter many snow-shoes, picks, shovels, axes, gold-pans, axe-handles, and oblong sheet-iron Yukon stoves. The feature most notable is the absence of foodstuffs in any considerable quantity. On shelves a few tins of mushrooms, a few bottles of olives.
