In the days when handmade goods were a necessary part of life, findings were the little pieces that made a dress, handkerchief, pillowcase, or shirt unique. They were the carved buttons, the embroidery, the lace, the decoration that set a bit of work apart; that marked the item with the personal touch of its maker. Findings is a collection of thoughts, prayers, and practices, a word or phrase that embellishes your spirit and reminds you that you are a unique and special gift of Creation that allows your presence to shine brightly among all other souls.
