Reviews

Unquestionably, this is the best work by any author. Better than ever, though I am quite late in starting reading this one. I realized this publication from my dad and I advised this PDF to find out.
(Nelson Zemlak)

SEVEN FORGES: SEVEN FORGES, BOOK I (PAPERBACK)

Angry Robot, United Kingdom, 2013. Paperback. Condition: New. Alejandro Colucci (illustrator). Language: English . Brand New Book. Captain Merros Dulver is the first in many lifetimes to find a path beyond the great mountains known as the Seven Forges and encounter, at last, the half-forgotten race who live there. And it would appear that they were expecting him. As he returns home, bringing an entourage of strangers with him, he starts to wonder whether his discovery has been such a good thing. For the gods of this lost race are the gods of war, and their memories of that far-off cataclysm have not faded. The people of Fellein have live with legends for many centuries. To their far north, the Blasted Lands, a legacy of an ancient time of cataclysm, are vast, desolate and impassable, but that doesn't stop the occasional expedition into their fringes in search of any trace of the ancients who had once lived there. and oft-rumored riches. File Under Fantasy [Savage Lands - Vengeful Gods - An Expected Journey - Battalions at War].
