Sage Publications Ltd, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. This hands-on guide takes students from start-to-finish through the research process while showcasing the complexities and interrelationships of different methods, schools of thought, and associated analytical strategies. Encouraging students to think of qualitative research as a flexible, cyclical process rather than a linear one, this book offers a panoramic strategy and dynamic approach to qualitative research that accommodates the fluid nature of research and accounts for lessons learned through lived experience. With an emphasis on the analysis stage-within case, across case, and the dialogue between these insights and existing literature-it uses concrete applications to show how your methodological decisions translate into practice. It covers: Forming, defending, and evaluating research questions Choosing a research approach Ensuring ethically sound research Collecting quality data Analyzing data in layers Reporting research results Through a conversational tone that unpacks key vocabulary and acts as a companion supervisor, this book equips you to traverse every step of the qualitative research journey.
