Reviews

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.
(Madyson Rutherford)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Holcad, Vol. 27: September, 1906 Anglo Saxon victories are the enduring triumphs of peace. True war has been used, but rarely from lust of conquest; often in behalf of downtrodden humanity. The real victories are not the conquests of arms, but the elevation of helpless humanity. In an age of revolution, steady, ceaseless growth was the Saxon watch word. Superficial means were never relied upon. Did a race or territory fall under Saxon dominion, the most virile manhood of the nation was sent to Anglicize it. The language, customs and religion of the Conquered were replaced by those of the Conqueror. The teacher, the missionary and the Saxon home, invariably follow the flag if they have not preceded it. Rome, the aggressor, the world conqueror, sent out armies, to accomplish her colonization, to replenish her treasury, and to increase Roman glory. Rome met her deserved fate. The Saxon goes out to Anglicize and elevate his possessions. Churches are built while they must be garrisoned at every service. Anglo Saxon homes dot the land and become the centers of moral purity and religious power. Australia, America and the islands of the sea testify to the divine approval for such an altruistic course. May it continue so while there yet remains a new territory to be Anglicized. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
