This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2002 in the subject English Language and Literature Studies - Literature, grade: 2 (B), University of Marburg (Anglistics), course: jane austen, 11 entries in the bibliography, language: English, abstract: Jane Austen was born on 16 December 1775 at Steventon, near Basingstoke, the seventh child of the rector of the parish. She began to write stories when she was a girl, but only four of her novels were published during her lifetime.<sup>1</sup> Among them was *Emma* published in the year 1816. Although Jane Austen chooses women as her heroines, there are also different types of men represented. They extend from the villain to the polite gentleman. The following term paper will try to examine Jane Austen's gentleman ideal in her novel *Emma* with a representative English gentleman. This is Mr. George Knightley. The virtues that Emma praises in Robert Martin's letter are all those which can be associated with the traditional age of chivalry: There were merely no grammatical errors, but as a composition it would not have disgraced a gentleman; the language, though plain, was strong and unaffected, and the sentiments it conveyed very much to the credit of the writer. It was short, but expressed good sense, warm attachment, liberality, propriety, even delicacy of feeling.<sup>2</sup> The name Knightley reveals already parts of the meaning. It contains the word knight who used to play an important role in Chaucer's poetry. In Chaucer's knight and Squire, for instance, is the knightly honour represented and Mr. Knightley embodies this. However, Jane Austen takes Chaucer's knight with his characteristics as a point of departure but she modernizes this image. While honourable...
