Reviews

*This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).
(Scottie Schroeder DDS)*

BLINKED (PAPERBACK)

Black Opal Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It s 1975 in the Big Easy where Mardi Gras floats and strangely dressed people are in abundance. Mindy Nichols, an agent of the Inner Space Monitoring Alliance Team ISMAT, is about to set the Crescent City on its ear. This special government team protects Earth from the Blink phenomena that connects our world to the Realm of Ortharos. An energy portal indiscriminately exchanges beings between both worlds, Blinking insane Outer Realm Beings ORBs in as Earthlings blink out, causing worry and angst over missing loved ones that sometimes never reappear. ISMAT s long-standing protocol, to exterminate all ORBs for the safety of mankind, is challenged one fateful night when Mindy wakes up to find her husband, Jim, missing; a huge, naked Cyclops in her bed; an OCD brownie cleaning her kitchen; and six purpleimps swinging from a chandelier. The last time ORBs roamed the Earth unchecked, a great war ensued, and Mindy knows things are about to get ugly.
