*It is just one of the most popular ebooks. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

FAERIE MAGIC

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. With the sexy and arrogant Mage Lord pressuring me to join his team and a dark movement in the magical underworld threatening to ignite a war between the half-faeries and other supernaturals, I have my work cut out. Especially when a serum that's deadly to half-faeries finds its way onto the market, luring in its victims with the promise of immortality. To find the source of the lies, I have to go undercover to a dangerous magical contest where half-faeries compete for glory. Problem is, to get in, I have to pretend to be one of them. Navigating my way between half-faeries who want my head on a platter and the Mage Lord who wants, well, me, is tricky enough. But then I learn something about my own magic that changes the playing field. If I don't come out on top, a second faerie apocalypse is on the horizon.
