## HISTORICAL ATLAS OF NEW MEXICO (PAPERBACK)

University of Oklahoma Press, United States, 2012. Paperback. Condition: New. Reissue ed.. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. New Mexico s long and dramatic history was in many ways predestined by its location, vast size, and abundant mineral resources. Treasure-hunting Spanish explorers tramped across its plains and scaled its mountains in search of the Seven Cities of Cibola in the sixteenth century. In clashing with descendants of the prehistoric Indian population, the Spanish began three centuries of struggles that lasted through the nineteenth century when the steamroller of United States expansion arrived. The history of New Mexico is the story of the blending of the three cultures--Hispanic, Indian, and Anglo. In this volume, a historian and a cartographer collaborate to depict specific aspects of the state s geography and events of its history, with the narrative illustrated through maps. Topics include geographical data (from topography to weather), sites of prehistoric civilizations, Spanish and United States expeditions, first towns, historic trails, the Civil War, stagecoach lines, railroads, county boundaries, principal cities and roads, state and national parks and monuments, and state judicial districts.
