Cambridge University Press. Paperback. Book Condition: new. BRAND NEW, **Lectura y Escritura Avanzadas Teacher's Book: Para Uso Como Complemento al Programa del Diploma del IB**, Manuel Frutos-Perez, Kathryn Aldridge-Morris, Emma Diaz, This teacher's book provides answers and teacher guidance to accompany each of the 15 units in the full-colour student's book. The units provide students with a model text and give them exercises that help them to analyse the structure and language of the text. They then work up to writing a similar type of text in a similar register of language. The approach trains students to reflect on the communicative purpose of each text and to use the language appropriate to the type of text and its audience. It teaches them to structure arguments in a clear, coherent and convincing way. The approach is lively and collaborative, encouraging students to work in pairs and small groups.
