At the end of Memory, Sorrow, and Thorn, Ineluki the Storm King, an undead spirit of horrifying, demonic power, came within moments of stopping Time itself and obliterating humankind. He was defeated by a coalition of mortal men and women joined by his own deathless descendants, the Sithi. In the wake of the Storm King's fall, Ineluki's loyal minions, the Norns, retreat north to Nakkiga, an ancient citadel which holds a priceless artefact known as The Heart of What Was Lost. They are pursued by the army of Duke Isgrimnur who is determined to wipe out the Norns for all time. The two armies will soon clash in a battle so strange and deadly, so wracked with dark enchantment, that it threatens to destroy not just one side but quite possibly all.

It is one of the most popular publications. It is actually written in easy words instead of confusing. You will like how the author created this book.

It is really a remarkable ebook that we actually have ever read through. I actually have studied and I am also confident that I am going to study once more yet again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
