Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Sylvia's Lovers (2nd Revised edition), Elizabeth Cleghorn Gaskell, Francis O'Gorman, 'He's spoilt my life,- he's spoilt it for as long as iver I live on this earth' The compelling story of an ordinary girl's tragic passion for a man who disappears, Sylvia's Lovers (1863) is Elizabeth Gaskell's last completed novel. Set in a fictional Whitby at the end of the eighteenth century, the novel is a modern revenge tragedy in which well-intentioned actions have unforeseen and terrible human consequences. Sylvia is loved by two men, her serious cousin Philip and the charismatic sailor Charley Kinraid. When one of them betrays her, her path in life seems fixed. Against the backdrop of the Napoleonic wars and the ever-present threat of press-gangs, the story darkens when Sylvia's father is roused into vengeful violence. But this trouble proves only the precursor to a greater calamity that will radically alter Sylvia's future. Gaskell's novel, richly engaging with the legacy of the Bronte sisters, is her most extensive literary exploration of the tragic depths of unregarded, unhistoric, but vividly imagined lives. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
