But, when Dominic strolls into Cottage Grove and begs her in his thick Russian accent to keep his adoring female fans away from him, she s not going to turn him down-because the job pays half a million dollars. Dominic Chekovsky s life is out of control. American women go crazy around him. They invade his personal space, leave their husbands for him, and make his life hell. Except, Diana. She s the one woman who always turns him down, no matter how many times he asks her out on a date. Now he s desperate. He needs Diana s help to figure out why she s the only female immune to his charm, so he can continue to play hockey in the United States.
