The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

EXPERIENCES: THE 7TH ERA OF MARKETING

Content Marketing Institute. Paperback. Condition: New. 344 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. There is a new era of marketing upon us. The time of reach, frequency, and campaign-oriented approaches is over. And if businesses don't evolve into this new era, they may find themselves on the wrong side of history. World-renowned marketing experts Robert Rose and Carla Johnson have teamed up and synthesized 5 years of research with global brands into a set of better practices that weave together both the why and the how of navigating this new landscape. By placing strategy before structure, Robert and Carla illustrate WHY the idea of Content Creation Management will be a core discipline within tomorrow's marketing strategy and HOW content-driven experiences can be created, managed, scaled, promoted, and measured in today's business. If the goal for businesses is to become more like media companies, this book is the roadmap to get there. This item ships from multiple locations.
