Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Especially seeing as how he could arrest me at any moment for what I did for a living. But Connor couldn t help being my knight in shining armor, and one last rescue makes me lose what little control I had. To be with him, I have to give up my job and, very possibly, my home on the island. Even then, I don t know if he can ever forgive me for the sins I can t wash away. He s one of the good guys From the moment Lola moved into my apartment building, I ve wanted her. She s too sweet and seemingly innocent, but it doesn t stop me from lusting after her. There s something about the hours she keeps, though. Something about the life she leads that has warning bells going off in my cop brain. Yet I can t stay away. Not when she needs my help. Not when she needs me. Even if being with her could cost me my future.
