She had always found solidarity in catholic worship, even as a girl. However, she had yet to find a man who felt the same way. Olivia valued her purity and decided as a child that she would wait until marriage to participate in any sexual relations. Yet, no matter how religious her boyfriends claimed to be, they could never wait with her, and for this reason she was left time and time again. At last, Olivia had met her match, and his name was Matthew. Undoubtedly, they met at church, and since Matthew was new in town, Olivia offered to show him around. Soon after, she finds that she never felt that way about anyone before, but they stayed true and waited for each other. On her wedding day, Olivia found that it was, without question, worth the wait.
