### ***Reviews***

*It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Greed can often times drive people to do crazy, unthinkable things. How eerie and real can that become? Freddy Heineken would soon find out first hand, as he endured a three-week nightmare at the hands of five greed stricken men. In one of the most publicized crimes in the history of The Netherlands, this crime will show what lengths five men would go to in order to secure their prize.
