## SKETCHES OF MARTHA S VINEYARD: AND OTHER REMINISCENCES OF TRAVEL AT HOME, ETC (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Sketches of Martha s Vineyard: And Other Reminiscences of Travel at Home, Etc In offering the present volume to the public the writer has been much influenced by the favorable judgment of individuals, for whom he has the highest respect, upon those portions which appeared in the Christian Register in 1836 - 7. He has been told they were worthy of being issued in a collected form. May it prove so. They have been revised with considerable care, and many alterations and additions made. The original form of Letters in the Sketch of the Vineyard it was thought best to preserve. A good deal of the present volume, beside the Memoirs at the close, has not before seen the light, but he trusts that what has been annexed will not be unacceptable to his readers. He has aimed at candor and truth in the narration of facts and the description of scenes. The writer does not profess to be a great traveller ever at home, and what he has written has been thrown off hastily in the intervals of professional labour. His object has been to add something to the enjoyment, if not the improvement of his readers, and, to accomplish this end, he has been willing to expose himself to the charge of an itch for authorship. To those who have been over the same routes, it may be pleasing to have their recollections revived. To those who have not, the following pages may serve, at least, as hints and directions.
