

Introduction to Psychopathology (Paperback)

By Alessandra Lemma

Sage Publications Ltd, United Kingdom, 1996. Paperback. Condition: New. Language: English . Brand New Book. I was most impressed by the author s thoroughness in writing this book. She seems to leave no stone uncovered. [this is] a work which should become a necessity for all counsellors, counselling psychologists, psychiatric nurses and psychotherapists. This is a book to which I will make reference time and time again, and one which will occupy a prominent place in my library - Counselling, The Journal of the British Association for Counselling ` An invaluable handbook for students of psychotherapy and a good reference for established therapists. I recommend that all therapists have a copy of this book on their shelf - Psychology, Health Medicine Assessment and referral skills are essential for counsellors and psychotherapists. Practitioners need to have an understanding of the clinical manifestations of severe emotional distress. They must, for example, be able to recognize when clients are a suicide risk or when they are suffering from a psychotic episode. This lively textbook provides a clear overview of the issues involved in our understanding of psychopathology and offers guidelines on appropriate interventions. Alessandra Lemma explores a range of key topics, covering how psychiatric...
