

The Free Economy and the Strong State: Politics of Thatcherism (Hardback)

Filesize: 4.04 MB

Reviews

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).

THE FREE ECONOMY AND THE STRONG STATE: POLITICS OF THATCHERISM (HARDBACK)

Palgrave MacMillan, United Kingdom, 1994. Hardback. Condition: New. 2nd ed.. Language: English . Brand New Book ***** Print on Demand *****. By the time Margeret Thatcher resigned as Prime Minister in 1990, she has tranformed the fortunes of her Conservative Party. Under her leadership the Conservatives won three general election victories in a row over a divided opposition and enjoyed a degree of political and ideological dominance that led many to speak of the end of the socialist era and the emergence of a new consensus. What Reagan had done in the United States, Margaret Thatcher had done in Britain. A new word--Thatcherism--had entered the political lexicon. Thatcherism came to signify a wide-ranging and distinctive political project aimed at promoting economic recovery and restoring the authority of the state. This second, revised and updated edition of *The Free Economy and the Strong State* explores the political and ideological roots of Thatcherism and its relationship to the Conservative tradition and to the economic liberal ideology of the New Right, as well as to the new political agenda which emerged from the advent of recession and the crisis of the world order in the 1970 s. Andrew Gamble provides a clear and thorough account of the genesis of Thatcherism in opposition, its record in government and of the way it has been analyzed by the left and right. His book makes a major contribution to separating rhetoric from reality and understanding both the impact and the limits of Thatcherism in its bid to establish a new political hegemony and tackle Britain s economic decline.
