Have You Been Laid Off? Forced to recover and start over? The multi-millionaires interviewed and featured in this book; Bob Proctor, Les Brown, Robert G. Allen, Dr. Cuttie Bacon III, Robert Kiyosaki, Joseph Janiczek, Brian Tracy and Stedman Graham have all been downsized, started with absolutely nothing, had to start over and reinvent themselves to the wealth building celebrities they are today. So Why Not You? They all did one thing that you will learn how to do in the book, CHANGE OUR MIND! Everyday in the local and national news, there are reports of companies and even the United States government downsizing tens of thousands of people. People who have families to support; people who had dreams of retirement; people who just bought a house, have mouths to feed and who did not want to be forced to start their lives all over again. Experts have predicted that during the life of your career, you can expect to have as many as seven different jobs which means you are likely to have seven or more layoffs. What most people don't realize is that they don't have control over a job or business they do not own! If you have been laid off, reengineered, reorganized, restructured, downsized, or just plain fired, the principles and words of wisdom offered by the seven self-made millionaires profiled in this book, will help you reinvent your life and teach you how to create a mindset where you will never be laid off again! Can you really make millions while thousands of people are currently losing their jobs? The answer is a resounding YES!...
