

The Caterpillar That Became Enlightened: The Search for Never-Ending Happiness (Paperback)

By Darryl D Diptee

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Many children today believe that fame and fortune are the only pathways to happiness. This book shows that even if every desire is achieved in life, happiness can still be elusive. Many adults who know this important life lesson struggle to easily articulate the concept with their children. Sumi s story of transformation into a joyful, awakened butterfly will resonate deeply within young children who strain to find meaning and fulfillment in a profit-driven, egocentric world. This is the story of a baby caterpillar named Sumi and her life s journey to find everlasting happiness. The story unfolds in a gentle, loving way that reveals age-old wisdom about the search for happiness to modern kids. The story begins at Sumi s birth when she asks simple questions that have eluded many for millennia: Who am I and why am I here? At first she is focused on acquiring food for survival and temporary happiness, but she soon concludes that there must be more to life than mere survival. By facing her fears and leaving her comfort zone, she risks...
