Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Stubbs s Calendar: Or, the Fatal Boots I don t mean to say that I have killed lions, or seen the wonders of travel in the deserts of Arabia or Prus sia; or that I have been a very fashionable character, living with dukes and peeresses, and writing my recol lections of them as the way now is. I never left this my native isle, nor spoke to a lord (except an Irish one, who had rooms in our house, and forgot to pay three weeks lodging and extras) but, as our immor tal bard observes, I have in the course of my existence been so eaten up by the slugs and harrows of outra geous fortune, and have been the object of such con tinual and extraordinary ill-luck, that I believe it would melt the heart of a mile-stone to read of it - that is, if a mile-stone had a heart of any thing but stone.
