By Annie Rix Militz

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Child Unfoldment Instruction in the Way to Train Children Through, the Silent Influence of Thought The following teachings are from the experience, as well as the deep spiritual conviction, of many besides the writer, who have proven that the mind makes the man and that as Socrates said, If you would have children act aright, you must teach them to form correct judgments. May the good Reader be able to profit by these writings, through the sure testimony of three witnesses: the Spirit, the Intellect and the Senses. May what has been written from the Spirit be read by the Spirit within you, that which is given from the Intellect be found reasonable, and that which Sense has experienced be demonstrated to your senses. And may many children bless the day that this little book saw the light. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
