Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

Inner Traditions Bear and Company, United States, 2012. Paperback. Book Condition: New. 239 x 150 mm. Language: English . Brand New Book. Our species is evolving in preparation for the new world on the horizon Explains how the increase in intuitive, creative, and abstract-thinking abilities of children as well as incidences of ADHD, dyslexia, and autism signal evolutionary changes at work in humanity--the emergence of the Fifth Root Race Connects the appearance of these traits with ancient myths and evolutionary calendars as well as predictions by Teilhard de Chardin, Edgar Cayce, and other visionary seers Reveals how these new kids act as agents for world change by reflecting back every misguided aspect of business, politics, religion, and culture The past 30 years have seen a quantum leap in the intuitive, creative, and abstract-thinking abilities of children as well as an unprecedented rise in incidences of ADHD, dyslexia, and autism spectrum disorders. As P. M. H. Atwater explains, we are witnessing evolution at work. The changes in consciousness and brain function evident in these new kids signal the widespread emergence of the Fifth Root Race and, fortuitously, coincide with our transition into the Fifth World. Providing a resource for parents and new kids themselves, Atwater explains what is happening to our species and our world--from neurological changes and climate upheavals to the drive to be constantly connected through screen-based technology and the unnecessary widespread use of drug therapies. Sharing individual case histories underscoring the traits of the new-child personality, she reveals how these children, born with universal consciousness encoded in their DNA, act as agents for world change by reflecting back every misguided aspect of business, politics, religion, entertainment, technology, and culture so we can't ignore what needs to be repaired. Atwater shows how children labeled as autistic or otherwise...
