Reviews and Other Information: M. Jean Pike's SHADOW LAKE is a true gem. It's a true romance, but delves into the deeper issues of family, divorce, betrayal, loss and suicide. Pike's writing has a magical way of drawing the reader in and holding them there until the final page is turned. The skillful plotting, lush descriptions, and charming cast of characters are enchanting. When turning that last page, readers will be left with wonderful sense of satisfaction and will eagerly look forward to the next in the series. Working Girl Reviews.
