Oxford University Press Inc, United States, 2016. Paperback. Book Condition: New. 210 x 140 mm. Language: N/A. Brand New Book. Universities are usually considered bastions of the free exchange of ideas, but a recent tide of demonstrations across college campuses has called this belief into question, and with serious consequences. Such a wave of protests hasn't been seen since the campus free speech demonstrations of the 1960s, yet this time it is the political Left, rather than the political Right, calling for restrictions on campus speech and freedom. And, as Jonathan Zimmerman suggests, recent campus controversies have pitted free speech against social justice ideals. The language of trauma-and, more generally, of psychology-has come to dominate campus politics, marking another important departure from prior eras. This trend reflects an increased awareness of mental health in American society writ large. But it has also tended to dampen exchange and discussion on our campuses, where faculty and students self-censor for fear of insulting or offending someone else. Or they attack each other in periodic bursts of invective, which run counter to the civility promised by new speech and conduct codes. In *Campus Politics: What Everyone Needs to Know*(R), Jonathan Zimmerman breaks down...
