It was no easy feat to survive childhood being raised by a diagnosed sociopath father and a mentally-ill mother - especially for a child that leads from her heart. When she turned eighteen, her father called her an old loser and told her to leave home. On her own, this adult-child navigates the world with an innate sense of her oldness in search of meaning. The writer travels from the Rust Belt to the West Coast to Turkey trying to not only save herself, but the animals and bad men that she attracts along the way. This book highlights a sensitive child, with a strong soul, who grows up to be a confused woman searching for love in damaging men without ever losing track of her inner compass.her Will.her love for animals and her urge to keep expanding. My Sociopath is the first book of its kind to give a revealing look at the making of an Empath and how this sensitive person navigates in a world of Narcissists and Sociopaths. It is a flash of memoir mixed with a new and imaginative look into the deep workings of Sociopaths, Narcissists, and the rarely discussed Empaths. This is not a victim s loss of love rant; nor is it a repeat of all the old sociopath traits and checklists that we ve all been inundated with. This is a well thought out, innovative, free thinking and spirited version of all the old sociopath books. The writer is constantly analyzing human behaviors and motivations through soul needs of all players and offers fresh advice all along for bettering our existence. You don t have to wait to get to the Healing Section...
