Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Fight for Your Life is a book of prayer that was written in a time of great travail. During this time, God revealed a lot about the importance of prayer, and the power that comes with actually praying the Word of God. While short, sweet and directly to the point; Ross shares her revelation and experiences in prayer that have helped change her spiritual journey from conquest to victory. Using four key strategies aimed at prayer in addition to an actual prayer/declaration, Ross will show you how going deeper in prayer can literally change your life. Learning to speak life and declare what the Bible says will help you discover a new way of seeking the face of God. Fight for Your Life is a teaching tool/prayer book that believers in all walks of life will find invaluable.
