In Rich Dads Conspiracy of the Rich, Robert Kiyosaki explores why many people are waiting for the political and financial systems of the world to change. In 1971, after President Nixon took the U. S. dollar off the gold standard, the rules of money changed. And today, money is no longer money. That is why the first new rule of money is Money is knowledge. Robert Kiyosaki wrote this book for those who want to increase their financial knowledge and take control of their lives. According to Kiyosaki: We cannot see the world of the future with our eyes. The world of the future is invisible, and we have to see it with our minds.
