Grove Press / Atlantic Monthly Press. Paperback. Book Condition: new. BRAND NEW, The Official American Spectators' Enemies List, P. J. O'Rourke, Written with the same acerbic wit and infectious humor that have made P. J. O'Rourke one of the most popular political satirists of all time, The Enemies List will keep you howling and his enemies scowling. From Noam Chomsky to Yoko Ono, from Peter, Paul, and Mary (yes, they're still alive) to all the people who think quartz crystals cure herpes, from Ralph Nader to the entire country of Sweden, P. J. O'Rourke has created a roster of the most useless, politically disgraceful, and downright foolish people around. Although a ratings system of S=Silly, VS=Very Silly, SML=Shirley MacLaine was ultimately cast aside, the distinguishing feature of the cluster of dunces presented here is silliness, not political subversion. The Enemies List began as an article in the American Spectator and, as readers contributed their own suggestions, quickly grew into a hilarious and slashing commentary on politician and celebrities alike.
