

India Dilemma of Development

By Pradhan H. Prasad

Mittal Publications, New Delhi, 2000. N.A. Book Condition: New. xxxii + 252pp After colonialism, India has been facing acute dilemma of economic development even after the series of five Year Plans. Virtually, India has chosen difficult development path with a democratic form of government to overcome such strain and conflicts. The select essays of the book dealt with a wide range of subject on socio-politico-economic development dynamics and also a few of these essays are in historical context but the approach and thrust retain their relevance as much now as of their first publication. Prof. Pradhan has come out with a vision and hope which lies in the theses of Gandhi and Marx, and India's own strength of development. He builds up a strong case for achieving the modified goals set by Gandhi for upliftment of the large sections of the society. Intensive discussions are going on among progressive intellectuals and planners as what wrong with Gandhi, Marx and Lenin, and on the question of alternative path of progress and the strategy to realise that. The book will provide an excellent and critical analysis of the dynamics of Indian economic development what we have achieved and what should be aimed...
