STILL HER SEAL

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In the fourth sexy book by New York Times best-seller Anne Marsh, Rohan MacCarthy - former SEAL commander and co-owner of the Search and SEALS canine-training business - married impulsively before shipping out for a final tour of duty. Now this SEAL is home and ready to settle down, but he ll have to convince the colorful and free-spirited Hindi Alvarez to give him a second chance. You ve seen the picture. The one where the returning sailor sweeps a lovely lady off her feet, kisses her, and they all live happily ever after? That s not what happens when I come home. Three years ago, I met a girl, we fell in love, and we got married on the beach in the Florida Keys. Then I went back to my SEAL team and she launched a career designing lingerie (yes, I m a lucky man). While I fought in the sandbox, she became the star of a reality TV show because her stuff s that good. Hindi s loud and colorful and everything I m not. She lives for the moment and tying her down would be like forcing a firefly into a jar. I d like to let her go. I should let her go. We re explosive when we re together, and that s not just the sex (which is amazing). She drives me crazy. I need to be in control and I m too serious, too sober, and way too old for her. The problem is, she s special. She takes my breath away, makes my heart beat faster, and I have a sinking feeling that I m still her SEAL no matter how many miles and years there are between us.
