## WRITING IN THE DARK: ESSAYS ON LITERATURE AND POLITICS (PAPERBACK)

St Martin s Press, United States, 2009. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Throughout his career, David Grossman has been a voice for peace and reconciliation between Israel and its Arab citizens and neighbors. In these six essays on politics and culture in Israel, he addresses the conscience of a country that has lost faith in its leaders and its ideals. This collection, *Writing in the Dark*, includes an already famous speech concerning the disastrous Second Lebanon War of 2006, the war that took the life of Grossman s twenty-one-year-old son, Uri. Moving, human, clear-sighted, and courageous, touching on literature and artistic creation as well as politics and philosophy, these writings are a cri de coeur from a writer who has been, for nearly two decades, one of the most original and talented not only in his own country, but anywhere (The New York Times Book Review).
