Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from People s Banks for Northern India: A Handbook to the Organisation of Credit on a Co-Operative Basis MY object in writing this little book, which makes no particular pretence at originality, is to bring within the reach of the ordinary resident of Northern India in a handy compass a brief description of the methods of Co-operative Banking and the principles upon which it is based. Most of the works upon the subject are in foreign languages, and are more or less inaccessible to the public of this country. Until Mr. Wolff published his book on People s Bank, and until Mr. Nicholson s report upon Land and Agricultural Banks was printed, there were few people even in England who had any special knowledge of the subject. Yet the subject is one which should possess absorbing interest to us in India, for it shows what has been done and can be done to overcome one of the greatest economic evils that a nation can suffer from that of Usury while in a lesser degree it offers by the encouragement it affords to thrift a partial solution of a still greater evil - that of Famine.
