Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dark Money: A Complete Summary! Dark Money is a book written by Jane Mayer. It was published in January 2016, during the time when the election process began for the next President of the United States of America. The book features many insights into the major role that the small network of ultra-wealthy people, like Charles and David Koch, has come to play in American politics over the past 40 years. Mayer brings some of the most intriguing and interesting insights into how the Koch family has changed the course of American history and politics. One of the founding sources for Dark Money is the article Jane Mayer wrote on August 30, 2010, titled Covert Operations: the billionaire brothers who are waging war against Obama. Dark Money is the story of how elite circles of extremely wealthy families have come to play a decisive role in the American political system. The book mainly focuses on several heirs of a few notable families, such as Richard Mellon Scaife, John M. Olin, and Charles and David Koch.
