MICHAELS CRAG (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In MICHAEL S CRAG, Michael Trevenack is an elderly English civil servant who spends his holidays on the Cornish coast staring out at a rock formation known as St. Michael s Crag. Fifteen years earlier, a hundred or so feet below, he and his only son were stuck by falling rocks. The boy was killed, while Trevenack was left with a blood clot in the brain that has him convinced he is the archangel Michael. A fabulous story, very well-written, with lots of not intended but truly comic moments. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
