Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dammit, just how many toes was she going to have to stomp on before people realized she was a delicate freakn flower? Naomi doesn't want to follow tradition and settle down with a violence-loving, chest thumping shapeshifter. She grew up in a household with five, testosterone laden brothers where none of the dishes ever matched, the ugly-as-sin furniture could withstand any catastrophe, and where crazy glue was bought by the case. When fate--with a snicker--makes her meet not one, but two mates, Naomi digs her heels in and refuses to do what her wolf--and her body--demands. No way is she voluntarily allowing herself to get hitched to a pair of dumbass--totally hot and muscled--lacrosse players. Can Ethan, the towering Kodiak bear, and Javier, the sexy, tanned jaguar convince this she-wolf that life with them won't be all chaos? And can this delicate freakn flower unbend her prejudices enough to recognize she needs a pair of men who can handle her thorns--and her passion?.

*This book is definitely not effortless to start on reading through but extremely fun to learn. Better than never, though I am quite late in starting reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*
