

Vatican II: The Battle for Meaning

Filesize: 8.9 MB

Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication that I was in fact changed, and the way I think.
(Lucinda Stiedemann)

VATICAN II: THE BATTLE FOR MEANING

Paulist Press. Paperback. Book Condition: New. Paperback. 224 pages. Dimensions: 7.9in. x 5.3in. x 0.7in. The death of John Paul II and the election of Benedict XVI constituted two important elements in the broad theological and cultural landscape of Catholicism. This change of pontificate has also nourished the journalistic and political dispute about Vatican II, its history and its legacy, and not only the historiographical and theological debate. But the research on Vatican II is already proceeding forward and beyond the state of knowledge about the Council reached at the end of the 90s. For 21st century Catholics and theologians interested in understanding contemporary Catholicism in the light of Vatican II the intellectual undertaking is far from accomplished yet. The book offers comprehensive presentation of the theological and historiographical debate about Council Vatican II. The attempt to go beyond the clash of interpretations - Vatican II as a rupture in the history of Catholicism on one side, the need to read Vatican II in continuity with the tradition on the other - is necessary indeed because the ongoing debate about Vatican II is largely misrepresented by the use of clashing interpretations as a tool for understanding the role of the council in present-day Catholicism. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
