Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Meet Ashton Ford, Psychic Detective . Private Investigator Ashton Ford has special powers, powers some call supernatural. A former naval intelligence officer, Ford will shatter your ideas of reality and take you into a mystical world of vision, intuition, and psychic truth. A phenomenal psychic, unparalleled lover, and a true Renaissance man, Ashton Ford can see into the future and even into the distant past using his psychic powers to assist clients in crisis. The husband of an aging, though still beautiful, Hollywood movie star is concerned with his wife s unnatural compulsions and obsessions with UFOs, dolphins, and the paranormal. The actress is convinced that someone, somewhere in space is calling her. This case leads Ashton Ford into the world of the dolphin, extraterrestrials, and space-traveling UFOs. It is an awe-inspiring journey through the farthest reaches of time and space, mysteries of the unknown, and a look into the ancient population of our very own planet Earth. Don Pendleton wrote this about his six Ashton Ford novels: Through this character I attempt to understand more fully and to give better meaning to my perceptions of what is going on here on Planet Earth, and the greatest mystery of all the mysteries: the why of existence itself. Through Ford I use everything I can reach in the total knowledge of mankind to elaborate this mystery and to arm my characters for the quest. I try to entertain myself with their adventures, hoping that what entertains me may also entertain others-so these books, like life itself, are not all grim purpose and trembling truths. They are fun to write; for some they will be fun to read. Ashton Ford is a spectacular character....
