AUTHORHOUSE, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This story is written from the heart. Before Winston, dogs were just a nuisance to me. We had several pets (dogs in the yard) over the years. The children loved each and every one of them. I liked them somewhat, but they were big and all over you. I really only tolerated them for the children s sake. Then I found Winston several years ago and now I m smitten. He is very special to me and what s so funny is that he knows it. This is the first book in a series of Winston s adventures in Historic Natchez, Mississippi. Future adventures will include actual historical sites such as his trip to the Natchez Cemetery, exploring Historic Natchez Under the Hill and the Bayou.
