By Joseph Pennell

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Play in Provence: Being a Series of Sketches When I first read Mireio, many years ago, in Miss Preston s translation, I thought it but a midsummer day-dream of the Provençal poet. But when together we went to Provence, J and I, the life of its people seemed no less an idyl; and everywhere, in town and country, on hills of Baux or desolate Crau plain, as in the fair, large city of Aries, - Aries le Blanc, - we found Mistral s poem. From Aries to Vence, From Vanensolo even to Marseilles, we were always in Mistral s world. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
