SIMON SCHUSTER, United States, 2005. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Sports, politics, and sex collide in Hunter S. Thompson's wildly popular columns. From the author of *Fear and Loathing in Las Vegas* and father of Gonzo journalism comes *Hey Rube*. Insightful, incendiary, outrageously brilliant, such was the man who galvanized American journalism with his radical ideas and gonzo tactics. For over half a century, Hunter S. Thompson devastated his readers with his acerbic wit and uncanny grasp of politics and history. His reign as *The Unabomber* of contemporary letters (*Time*) is more legendary than ever with *Hey Rube*. Fear, greed, and action abound in this hilarious, thought-provoking compilation as Thompson doles out searing indictments and uproarious rants while providing commentary on politics, sex, and sports--at times all in the same column. With an enlightening foreword by ESPN executive editor John Walsh, critics favorites, and never-before-published columns, *Hey Rube* follows Thompson through the beginning of the new century, revealing his queasiness over the 2000 election (rigged and fixed from the start); his take on professional sports (to improve Major League Baseball eliminate the pitcher); and his myriad controversial opinions and brutally honest observations on issues plaguing America?including the Bush administration and the inequities within the American judicial system. *Hey Rube* gives us a lasting look at the gonzo journalist in his most organic form?unbridled, astute, and irreverent.
