

## Sentence Generation: Syntax Tree Diagram in English, Spanish, Chinese, Japanese, Ainu (Paperback)

By Yuko Sakai

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Many define the language, in various phrases with various modifiers, as a tool of communication. However, not all the language is communicated and the language is generated before the communication. We have no words to communicate without thinking, whose concrete act is to choose the words. Therefore, cognition and language have the same origin. We the human beings have language to recognize and dominate the world, including our own mind. This is the reason why we have reason and language. Language is not merely a tool of communication, but it is indispensable to have reason and to be a Homo sapiens. The reason is based on the outside world composed of space-time. We perceive the outside world and recognize it by naming or classifying in our each vocabulary. Accordingly, a linguistic theory, which explains how and why the sentences are, should start with the cognition. The method is opposite to that of Aristotle's tradition, which begins in the form and the contents are interpreted from the form based on the view that language is a tool of communication regarding only...
