

## Save Send Delete (Paperback)

By Danusha V. Goska

John Hunt Publishing, United Kingdom, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Blurb by Robin Richman Schaffer: Save Send Delete is a debate about God between polar opposites: Mira, a poor, Catholic professor and Rand, an atheist author and celebrity. Its based on a true story. Mira reveals gut-level emotions and her inner struggles to live fully and honestly - and to laugh - in the face of extraordinary ordeals. She shares experiences so profound, so holy, they force us to confront our beliefs in what is true and possible. Rand hears her; he understands her; he challenges her ideas; he makes her more of herself. The book is in essence a love story. What emerges from these eternal questions is not so much about God, but what faith means to us, and ultimately, what we mean to each other. The writing is exquisite. There are pages of this manuscript that I want to highlight and keep close to me on my nightstand. It is filled with wisdom from sources I dont normally draw on: The wisdom of the Bible, the Talmud, the Vedas, Twelve Step programs, and mostly, the wisdom of Mira.
