STRATEGIC HUMAN RESOURCE DEVELOPMENT (HARDBACK)

SAGE Publications Inc, United States, 2003. Hardback. Condition: New. Language: English . Brand New Book. I thoroughly enjoyed this book which is well-argued, well-structured and superbly referenced. It will be of value to those studying change and strategic management and human resource development at masters level. Whether it heralds a new approach to organizational change for the new century remains to be seen but it most certainly demolishes many of the recipes of the final part of the last one!..
